Residential Design

OPEN HOUSE

Planning a remodeling or an addition to your existing house,
or designing a new home?

Join Frazier Associates for
a design consultation open house:

Friday, March 17th, 12 to 5 p.m.

Frazier Associates, 213 N. Augusta Street

Call or email to schedule a FREE, one hour consultation to discuss
your potential project!

Bring along existing photos, plans, and magazine or computer
images to help illustrate your vision and goals for the project.

We will provide general design input, as well as information on the
process and benefits in working with an architect, and the products
created that help facilitate design decisions and construction.

For more information, or to schedule
an Open House appointment,
contact Deneen Brannock at

540-886-6230

or email: dbrannock@frazierassociates.com

Frazier Associates' residential experience includes:

- New Custom Homes
