Architectural Design

OPEN HOUSE

for Residential and Commercial Buildings

Join Frazier Associates for
a free design consultation open house:
Friday, September 8th, 9 a.m. to 5 p.m.
Frazier Associates, 213 N. Augusta Street

Bring along existing photos, plans, and magazine or computer images to help illustrate your vision and goals for the project.

We will provide general design input and information on the process and benefits in working with an architect. We can also discuss the regulations and procedure for applying for both state and federal rehabilitation tax credits for historic buildings.

For more information, or to schedule
a free Open House appointment
contact Deneen Brannock at 540-886-6230
or email: dbrannock@frazierassociates.com
